1. The suggestions made by the DDI, the NIO for Narcotics, and [] have been incorporated into a Narcotics Theme initiative for the 1985 budget. In addition to other resources, the Theme specifically includes their suggestions for additional OGI analysts, a DDI liaison/representative [] [] analysts, and ORD technical resources. A summary of the Narcotics Theme package is attached for your information. [] 25X1 25X1 25X1 25X1

2. Since this initiative is contained in the 1985 budget proposal, it would not be presented to Congress until January 1984. Whether or not the 1985 Program is early enough to respond to the DDCI's concerns about narcotics is another question. It is, however, as early as we can make such an effort without a formal reprogramming or making an internal reallocation of resources. [] 25X1
